SKORO German Dance

On the dates 14 – 21 April, 2016 St. Petersburg is hosting the XIII German Week supported by the Consulate General of Germany and Goethe Institute.

A few days of German contemporary dance named SKORO German Dance, presenting Contemporary dance from all over Germany, will take place at one of the most popular venues of contemporary art in **St.Petersburg and Russia** Platform Skorohod. [www.skorohod.me](http://www.skorohod.me)

The festival program includes dance performances by German choreographers, panel discussions with foreign guests and workshops by professional German dance teachers. The main mission of the platform this year is to bring new unknown names to St.Petersburg audiences.

Performance arts of any kind blend here to take its ground-breaking form.

The venue regularly holds a great number of international dance and theater events – such as Skorohod Swiss Week, German Culture Week, Korean Express, Meeting the Odyssey – travelling theatre project, etc. There are plans to monthly produce focus weeks of performing arts from different countries. This year we are starting with Poland, Finland, Malta, Portugal, Italy, France, Holland and continue the tradition of presenting Swiss and German art. The focus weekend of SKORO German Dance is going to be held within the German Week in St.Petersburg supported by the German Consulate General in St.Petersburg and Goethe Institute.
